

Your wedding day is one of the most important and magical days of your lives. It is a day filled with excitement, love and all the joy entailed in starting your lives together as husband and wife. That's why your wedding photographs are so very important. These images become timeless keepsakes to be enjoyed and cherished for many years to come.

At Photography by Don, we understand that your wedding photos should be taken and prepared with utmost care to ensure each photograph is a perfect representation of your special day. Our professional staff of photographers are happy to work with you through each stage of your wedding photo process – from determining the best package to meet your needs – to determining just the right kind of poses that reflect your personalities and the theme of your wedding; and finally selecting the photos for your beautiful wedding album.

Don Gale, an-award-winning photographer, has successfully operated Photography by Don, a commercial and portrait studio in the San Gabriel Valley since 1974. With over 30 years of experience, you can rest assured that Photography by Don will design a perfect wedding package for you and your loved ones that truly captures each precious moment of your wedding. After all, it is your wedding day and you deserve the best.
